

# Volunteers Academy

September 12, 2026 - September 18, 2026

During the 2026 Volunteer Academy, participants will work on postwar materials from the Auschwitz Birkenau State Museum Digital Archive, including accounts and memoirs of former prisoners that require further digitization, verification, and translation. Their efforts will contribute to the process of making these testimonies available in a format suitable for research, education, and remembrance, enriching the archive's resources for future generations.
